Carbon Black's Ryan Nolette Discusses Ransomware on "Forensic Lunch"

March 29, 2016   /   Ryan Nolette   /   Advanced Threat Protection, Community Perspectives, Detection and

Response, Endpoint and Server Security, Response

Ryan Nolette, Security Operations Lead at Carbon Black, talks on "Forensic Lunch" about all of the ransomware variants he's been seeing and how shadow copies are affected.

Forensic Lunch 3/25/16
